# Medina High School Boys Soccer Youth Soccer Camp June 20-23, 2011

The Medina High School Boys Soccer Program would like to invite you to join us for our 8th annual Summer Youth Camp. For the last eight years the Boy's Soccer Program has offered a summer youth camp de-

signed to provide your child with an affordable, safe, and fun soccer opportunity. During our camp, your child will have the opportunity to interact with our players and staff in what promises to be a camp filled with lots of soccer and lots of fun. As in years past, if you sign up early your camper will not only receive a camp t-shirt, but they will also receive a **\$10 discount** on the already low camp fee. Our summer camp is our primary fundraiser for the soccer program and all monies go directly back into the program allowing us to help offset the costs of our season. We look forward to a great week of camp and hope you'll all consider joining us this summer.

## It's All about the fun!

It's all about the fun at the Medina Boys Soccer Youth Soccer Camp! We're here with two main goals. We want your child to form a soccer bond with our players while they work on improving their soccer skills and we want your child to have fun! We provide a highly interactive camp where your children are the stars and are given the opportunity to work with the High School Players. Your child will not only be meeting the High School Players, they'll be working side by side with them in fun interactive activities.

## It's All about the Family!

Our camp gives your child the chance to not only work on perfecting that new move they learned, but it gives them a chance to become a member of our Medina Soccer Family! That week they spend in the summer with our team will jumpstart them for the fall when they come to our games and they look out and know the names and the faces. Your child might even be able to point out that special move that they taught our players during camp! Either way, your child will be a part of the Medina High School Soccer Family for years to come.
