

Pay-to-Participate and Activity Program  
Medina City Schools  
2011-2012 School Year  
WINTER and SPRING Season

- A fee will be charged for each performing art and sport at the middle school and high school level per attached list.
- There is a per student cap on athletic and/or performing arts pay-to-participate fees. For the remainder of the 2011/2012 school year the per student cap is \$440 at the high school level and \$165 at the middle school level. For the 2011/2012 school year the per student cap **ONLY** applies to winter and spring activities. For the 2012/2013 school year the per student cap on athletic and/or performing arts activities pay-to-participate fees will be \$660 at the high school level and \$250 at the middle school level. The per student cap is reset each school year. Therefore, per student cap qualification is only for athletic and/or performing arts activities that take place during a given school year.
- Participation fees for all extracurricular activities (athletics, non co-curricular music) are due one week prior to the first contest/activity/performance. Failure to pay will result in exclusion.
- Activity fees for co-curricular music programs are due the first official week of school. Failure to pay will result in a financial obligation. Unpaid financial obligations will result in withheld diplomas, exclusion from dances and other school sponsored social activities, exclusion from commencement ceremonies and denial of parking privileges during school days.
- Participation fees for middle school and high school are to be paid in the main office at each School.
- No refunds will be granted to students who become academically ineligible, students removed for disciplinary reasons, or for students who quit the sport/activity after the fee has been paid.
- If a student sustains a season ending injury and is unable to play (doctor's note required) a refund will be pro-rated.
- There are no guarantees of participation (playing time).
